Please see the attached draft FL 404 assumption slide. This is already probably too verbose, so I may include additional details as talking points instead of extra bullets.

Kathy and Mike – Mary Walker would like to participate in Friday's briefing for John Goodin, and she also requested that I include Mita Ghosh, the RA's Chief of Staff. I went ahead and forwarded the meeting invitation to them, so it is on their calendars. I also told Mary that we were targeting having a Powerpoint ready by COB Thursday and that I'd share it when it was done.

Phil – I talked with Kathy and Mike about logistics for the presentation for John, which in a way will be a dry run for next week's briefing for Mike Shapiro and the other senior managers. Kathy will take the lead on the broad assumption issues in the first part of the presentation, and I'll take point on the Florida specific issues. I'm planning to prepare 4-5 slides and will share a draft for your input tomorrow morning before sharing with Kathy and Mike by COB. We didn't talk about the bigger issue of the regulatory crosswalk issues but will hopefully do that tomorrow, so stay posted for an invitation.

Tom
